The fastest times are ranked and riders who record the top 6 times for a specific category distance recieve 10, 7, 5, 3, 2, 1 respectively per distance. These are added up over the 3 distances for that category and riders overall ranking is determined by who has the most points. Riders in non-pro categories can also score up to 20 bonus points in team events (Team Sprint & Team Pursuit) with up to 10 points per event available depending on how close you get to the track record! There will be a cash payout for men and women's pro categories and prizes for other categories (Men & Women 35+/50+, YCL Boys/Girls, Rookies). Riders with A Rating will not be eligible for 35+ categories. We also have stickers for riders who hit target times or record track records! Payouts listed are as results stand, they wil be confirmed after the final event of the series.					1	10	1. The prize fund comprises of \$1000 Series payouts and \$400 which is put into the track record pot. This pays out when a elite track record is broken in a recognised elite distance. 2. RoY Points from TT's will be the total number of Atomic TT omnium points obtained in their designated category. 3. Category distances can be found by clicking on the category tabs on this sheet. 4. Atomic TT Regional Championship events do not count towards the series.
